

Memo *Finishes*

Finishes are integral in our efforts to honor the essential. Guided by the insight and sensibilities of the designer Laura-Guido Clark, we've selected finishes that bring out the natural character of materials while also imparting rich tones, textures, and temperatures. Curated with these characteristics in mind, we offer a dynamic palette that includes colors from neutral to bold, temperatures from cool to warm, and textures from matte to gloss.

Wood/Veneer

Memo stains on solid wood and wood veneer are created using a two-step conversion varnish, formulated to withstand the wear and tear of commercial interiors. They are applied using a combination of hand rubbed and spray methods to allow the best expression and preservation of the visual characteristics and warmth of wood.
